DWBH, LLC (DWBHCORP) Awarded SeaPort Enhanced (SeaPort-e) Prime Contract

McLean, VA (5 April 2015) – DWBH, LLC (DWBHCORP) was recently awarded a SeaPort Enhanced (SeaPort-e) Prime Contract, N00178-14-R-4000. DWBHCORP is qualified to support all 22 functional areas in six geographic zones as defined by the contract: (1) Northeast, (2) National Capital, (3) Mid Atlantic, (4) Gulf Coast Zone, (5) Midwest, and (6) Southwest. Learn more about the contract at DWBHCORP’s SeaPort-e portal at: www.dwbhcorp.com/contracts

Seaport-e is the Navy’s electronic platform for acquiring support services including Engineering, Financial Management, and Program Management. DWBHCORP and its team members are working today in support of a broad range of SeaPort-e customers including: NAVSEA Headquarters, Navy Warfare Centers, Program Executive Offices (PEOs), and Field Offices, as well as other DoD Agencies.

DWBHCORP CEO, Steven D. MacDonald stated “this SeaPort award will help us leverage our previous experience supporting Navy, NAVSEA, and other SeaPort-e customers”. “In particular, we look to reestablish our position providing ERP support, legacy system rationalization, financial compliance and audit support, and related material (Operating Materials and Supplies and assets) management support, and this IDIQ is key to accomplish that as a qualified prime contractor.”
